

Section 2: Email of Update

You are working on a group project and your team leader has asked for a status update. Write an email updating them on the progress made so far, any challenges faced, and the expected completion date.

Subject: Group Project Progress Update

Dear Team Leader,

I am writing to provide an update on our group project. So far, we have completed the initial research, discussed the main ideas, and divided the remaining tasks among the team members.

We have made good progress, although we faced some difficulty coordinating everyone's schedules and combining the information collected by different members. We are currently working on organizing the content and preparing the final presentation.

If everything goes according to plan, we expect to complete the project by [12/09/2026]. I will keep you informed if there are any major changes or delays.

Please let me know if you would like any additional details about the progress or if there are any changes you would like us to make.

Best regards,

[lakshman]
